

Dear Parents,

Crown Point Christian's CAMP Program has been developed to help provide for the needs of our school's working parents. This before and after school program provides quality, convenient, and affordable childcare for school families.

CAMP stands for "Create, Achieve, Motivate, and Play" and that is exactly what we plan to do for the next 180 days! Children will have the opportunity to participate in devotional and story times, snack time, inside and outside play, art activities, computer time, movies, board games, as well as daily homework help. The program will have adult supervision at all times, with additional assistance added as enrollment increases.

A non-refundable annual registration fee has been set of \$15 for one child, \$20 for two children, and \$25 for three or more children. This enrolls your child for the program for the entire year, regardless of if you use it everyday or not. The additional hourly fees are reasonably set at \$4.00 for one child, \$6.00 for two children, and \$7.50 for three or more children.

Hours for this program will be from 6:30 A.M. to 7:30 A.M., and 3:00 P.M. to 6:00 P.M. everyday that school is in session, including half-days. In order to keep the program financially strong, the minimum fee of an hour will be charged. After that, all fees will go by 15 minute increments.

It is important that we have no unsupervised children before and after school. All CPCS families need to be aware of this service for their emergency situations. If a child is dropped off between 6:30 to 7:30 A.M., or is not picked up from school by 3:15 P.M., that child will automatically be put in the program before school, or until the parent/guardian arrives at school after 3:15. In these cases, the supervision fee for students not registered will be twice the going rate.

Feel free to contact me if you have questions, concerns, or suggestions. The goal of the CAMP program is to provide a child care program that benefits the children and families of CPCS. We strive to make CAMP a rewarding, successful program. Thank you for your time.

Sincerely,

Jessica Bell, Director
