

Wanted

Individuals to use their skills, knowledge and expertise to build an organization that delivers excellent, Christ-centered education to cherished children with eager hearts and minds.

Consider serving CPCS in one of the following areas:

- **Education**—Looking for individuals with expertise in curriculum review, developing educational programs, professional development of staff and technology supported learning.
- **Building & Grounds**—Looking for individuals with expertise in maintaining property, plant and equipment. Specialized knowledge in any of the following areas is a plus: electrical, plumbing, HVAC, mechanical, landscaping.
- **Fundraising**— Looking for individuals with expertise in fundraising and for individuals passionate to share the CPCS story with potential donors.
- **Finance** - Looking for individuals with a finance or business background to review monthly financials and guide financial decision making for the school.

To learn more, please complete the following information and turn the form into the school office by Friday, December 18. The committee chairperson(s) will contact you to discuss the opportunities with you.
