

Music

The Second Grade Music Curriculum introduces the instrumental families and continues to develop music reading and performance skills. Rhythm, melody and note reading is emphasized.

- Compare, connect and integrate art forms
- Identify and use appropriate vocabulary in fine arts areas
- Create and perform age-appropriate material in fine arts areas
- Recognize, create and demonstrate pattern, repetition and sequence
- Recognize how the fine arts relate to careers and life-long learning
- Describe how ideas, moods and celebrations are communicated through the fine arts

Computer

The Second Grade Curriculum for computer class includes:

- Begin Type to Learn 3
- Internet learning activities
- Microsoft Word: typing, clip art, cut/paste/copy

Notes

Please feel free to contact your child's teacher at anytime via email.

Second Grade:

Ms. Bremer—jbremer@crownpoinchristian.org
Mrs. Houtsma—lhoutsma@crownpoinchristian.org
Mrs. Koster—jkoster@crownpoinchristian.org

Computer:

Mr. Kamien—mkamien@crownpoinchristian.org

Physical Education:

Mr. Kamp—tkamp@crownpoinchristian.org

Music:

Non-Discriminatory Policy as to Students

The Crown Point Christian School system admits students of any race, color, national and ethnic origin to all rights privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarships or loan programs, and athletic or other school-administered programs.

Second Grade Curriculum

"Excellence Through Christ"

Our Hope is His Plan

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not harm you, plans to give you hope and a future."
Jeremiah 29:11

Mission Statement

Crown Point Christian School is an association of evangelical Christians committed to providing a biblically based, Christ-centered education that partners with parents in preparing children spiritually, socially, academically, and physically to honor God in all aspects of life.

Bible

The Second Grade Bible Curriculum reviews the stories of both the Old and New Testament to emphasize how God keeps His promises. God controls all things and we can rely on Him.

Social Studies

The Second Grade Social Studies Curriculum emphasizes the study of people and their interaction with the world around them.

- Explain how people depend on others to supply goods and services
- Identify similarities and differences in people and places around the world
- Compare cultural similarities and differences and the impact it has on relationships with others living in a community
- Describe traditions that are learned from ancestors
- Explain some of the things that identify us as a nation
- Explain how national holidays are celebrated
- Describe the duties of a citizen
- Explain the election process
- Identify people who have made a difference in the world
- Describe how individuals impact future generations
- Interpret maps: compass rose, continents, borders, and map key

Math

The Second Grade Mathematics Curriculum emphasizes addition and subtraction facts as well as two-digit computation with and without regrouping, money, time, comparison of geometric figures by properties, the interpretation of graphs and the application of problem solving strategies.

- Show, read, write, compare and order numbers to 10,000
- Add/subtract two-digit numbers with and without regrouping
- Add/subtract in one and two-step world problems.
- Recognize fractional parts
- Measure using metric/customary units
- Use the properties of shape
- Interpret data of graphs, charts and tables

Physical Education

The Second Grade Physical Education Curriculum closely follows the CSI Curriculum and its age appropriate goals for this age group. As a result of PE activities this year, students will be able to:

- Demonstrate appropriate use of and smooth transitions between motor movements (example running into jumping...)
- Demonstrate motor patterns in simple combinations and more complex combinations
- Demonstrate the ability to adapt and adjust movement skills to the needs of another (like tossing a bean bag or ball to a stationary, then moving partner)
- Demonstrate the ability to work well in groups to accomplish tasks and activities
- Understand the purpose for rules in games
- Share equipment and space safely and properly
- Display a positive attitude toward participation in physical activity
- Students in second grade will begin to hear and understand some basic health and wellness terms and gain greater appreciation for the amazing way their God given body works

Language Arts

The Second Grade Reading Curriculum addresses and emphasizes critical components of reading including phonics, fluency, vocabulary and comprehension of connected text. The components will build a solid foundation for literary understanding while continuing to develop grade-level writing strategies and conventions.

- Use phonetic cues when reading: beginning/ending sounds; consonant blends; common vowel patterns
- Use word analysis (prefixes, suffixes, roots and inflections) to identify words
- Use synonyms and antonyms
- Know basic sight word vocabulary
- Use meaning and language structure cues when reading
- Recognize stated and implied main idea
- Apply predicting and questioning strategies for comprehension
- Understand basic story elements
- Write four types of sentences with proper punctuation
- Use nouns, verbs, pronouns and adjectives correctly
- Use the stages of the writing process

Science

The second grade students will develop questions on science topics and describe observed events. The Second Grade Science Curriculum includes the following concepts:

Biological Science

- New plants

Physical Science

- Balance and motions

Earth/Space Science

- Pebbles, Sand, and silt
