

ABOUT CPCS

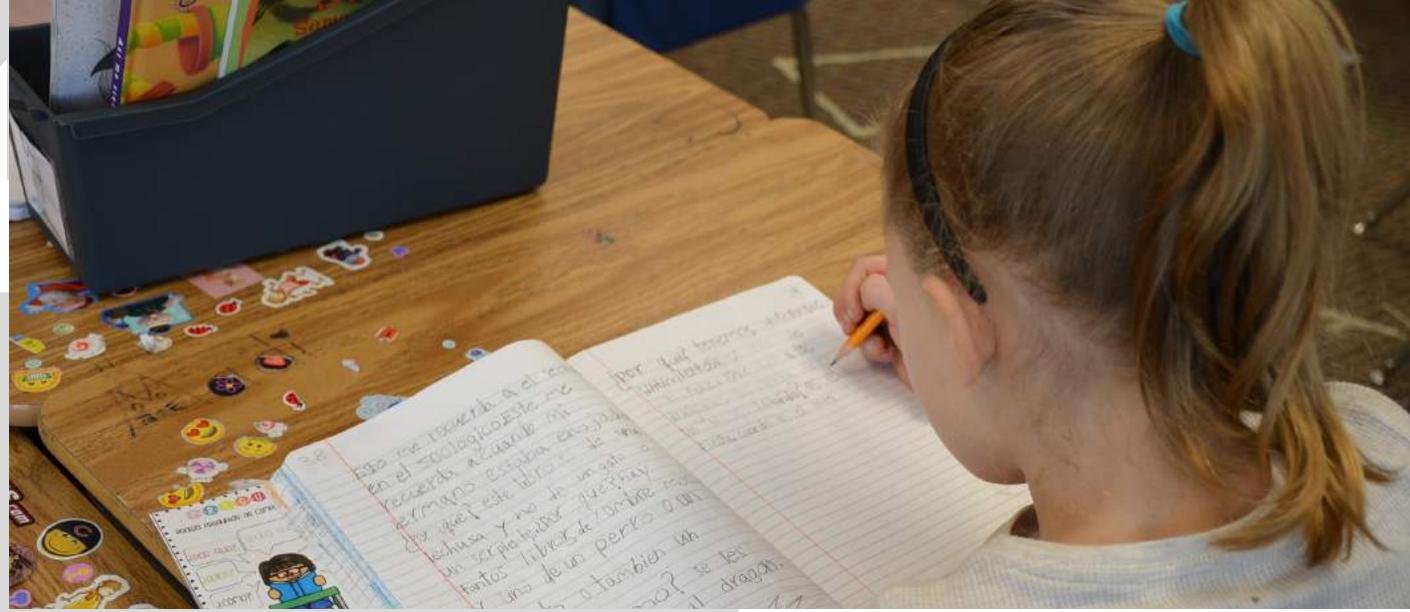

Crown Point Christian School is a vibrant and growing school, with over 740 students enrolled in grades PreK through eighth grade. At CPCS, we offer outstanding faculty, exceptional facilities and the latest technologies. Located in St. John, Indiana we are just a short drive from Chicago.

OUR MISSION

Since being founded in 1985, Crown Point Christian School's unwavering mission has been to shape young minds and hearts to see the glory of Christ in all things.

OUR VISION

Committed to academic excellence, we train children to understand the world around them and recognize that every part belongs to God. We mentor, encourage and inspire intellectual curiosity so that our students might honor God with their minds and grow in lives of service.

DUAL LANGUAGE IMMERSION

Our Dual Language Immersion is a unique educational option which all academic subjects are taught in Spanish beginning in kindergarten. Students receive 100% of their academic instruction in Spanish.

Starting in third grade, students are taught one or more of their academic subjects in English in order to increase exposure to critical terminology and strategies in both languages. Students become more fluent each year and will continue to build fluency through eighth grade.

HOW IT WORKS

Participation in our Dual Language Immersion is currently open to students in kindergarten through sixth grade. An additional grade level will be added to the program each consecutive year, in order to allow students to advance within the program.

PARTNERSHIP

CPCS partners with add.a.lingua, an organization that helps implement and support successful dual language programs.

OUR GOAL

The goal of Dual Language Immersion is to equip our students to use their gifts and talents to serve and minister to a global community.
