## Students Complete Summer Bible Reading Challenge

At the end of the last school year, the 6<sup>th</sup> graders were challenged to continue reading their Bible through the summer months by completing the “Chapter a Day Challenge.” Students were given a summer calendar that listed a suggested chapter to read each day. Pictured to the left are the students who completed the challenge and read every day. Several of them spoke at a middle school chapel to talk about the experience.

## Sports Update

Cross country practices started on Tuesday August 25! There are no tryouts for CC; students just have to show up to practice and they are on the team as long as all sports physical and consent forms are up to date. Practice and meet schedules can be found by clicking [HERE](#). Please check the calendar weekly as changes may be made last minute due to COVID. Our CC coach for this year is Jennifer Olthof. We are so thankful for her dedication to our CC athletes. The first meet is scheduled for Sept. 10 at Hanover Central MS. Go Crusaders!

Soccer and volleyball open fields and gyms start on Tuesday, Sept 1. There are no tryouts for these either. Student athletes must have up to date sports forms in order to participate. Please see the [ATHLETICS PAGE](#) on the CPCS website for information on sports forms. Open fields and gyms will run every Tuesday and Thursday in September from 3:15-5pm. Lance Davids and Rebecca Loenen will be running soccer open fields with the help of Denise Kooy. Volleyball open gyms will be run by Patty Sparks. Thank you to all of our open field and gym leaders!
