## Middle Schoolers “Adopt-A-Hallway” in Prayer

Borrowing from the “Adopt-a-Highway” concept, each middle school grade will be adopting a hallway this year, committing to regularly pray for the students and teachers in that wing of the school. The 8<sup>th</sup> grade has adopted the 2<sup>nd</sup> – 5<sup>th</sup> grade wing, the 7<sup>th</sup> grade will be praying for the primary hallway, and the 6<sup>th</sup> grade is responsible for the middle school wing (and specials teachers). On Tuesday morning, September 15, each grade took some time to stand outside the wing of their adopted hallway and pray

for them. Each middle school student was assigned a specific teacher to pray for. The students also made a prayer card for their adopted teachers, letting them know they are being prayed for.

## Thoughts from Students

The 6<sup>th</sup> graders were recently asked what they like about middle school so far. Some responses:

*“I love that we get to switch classes and we have more time to pray. I also like that we are going to have a prayer binder so we can grow in our faith.”*

*“What I really like about middle school is the teachers. They are all so nice and deserve to be appreciated. We need to tell them how much we love and need them.”*

*“Here’s what I enjoy: the teachers, switching classes, exploratories.”*

*“I like that we are not with the same people in every class.”*

*“The teachers are always understanding.”*
