

From the Desk of Mrs. Donovan, Interim Elementary Principal

March 1, 2021

Dear CPCS Parents and Community,

Thank you so much for all the donations for the Food Bank of Northwest Indiana! They will be packed up today and delivered. Many people will be blessed through your generous donations.

In that same vein, donations were given to Love INC (Love in the Name of Christ) around Christmastime, and they had some wonderful things to say about CPCS in their recent newsletter.

"I thank God that Crown Point Christian School is training up children in the way that they should go! We have been tremendously blessed by the children and staff that selflessly collected an abundance of underwear, socks, t-shirts, hats, and gloves for a service project to donate to our down under ministry. These items blessed **211 individuals** that received gifts from the Love INC network churches that participated in adopting families for Christmas 2020. I was overjoyed when they asked just a couple of weeks later could they collect diapers for our Cradle N All Gap Ministry. I was overwhelmed by the amount of diapers that they collected within a very short timeframe. I love the expression of their hearts and how they pray over everything they donate. I believe that the recipients receive a spiritual blessing as they receive their items.

One person might have only donated one item, but collectively they made a huge impact. This is exactly how Love INC of Greater Hammond serves the community. We help multiple churches help people. This is how we the "Church" are supposed to be, one body many parts. Never think that your efforts are too small. Do what you can and it will serve a bigger purpose." (Bonnie Rimpson - Executive Director of Love INC)

I've said it before, and I'll say it again - Crown Point Christian School is a **generous** community! Thank you for your giving hearts and for raising up children who are quick to give and serve.

Have a blessed week!

In Him,

Megan Donovan
