

Dear CPCS Friends and Family,

The Crown Point Christian School 2021 Virtual Auction was a great success! Approximately \$95,000 was raised for our school. Thank you so much for items and funds donated, bids made throughout the auction and your overall support!

This year's **RAISE THE PADDLE** opportunity was to improve the safety and beauty of the playground for our students. Our Building and Grounds team has made plans to level the current mulch around all playground equipment and install rubber mulch material which will provide a cleaner and safer surface for our children. Our need to complete this project was \$35,000 of which \$19,200 was raised during the auction.

During the **RAISE THE PADDLE** portion of the auction, there was some confusion and inability to log in and participate in the special bid. If you would still like to contribute to the playground improvement, use the following link.
