Soccer Shots Camps provide children with an opportunity to develop their soccer skills, their character, and their creativity. Centered around the 2021 Summer Olympic Games, children are provided with fun activities that include soccer games as well as a variety of other age-appropriate learning such as crafts, team building exercises, snack time, or even literature. Children will be encouraged to participate in daily themes, and each camp will conclude with a celebration of the children's hard work. Our coaches will bring all of the necessary equipment and supplies.
